

Bristow & Sutor Expand Management Team

July 2006: Bristow & Sutor has appointed **Deborah Grogan** as Client Development Manager.

Andy Rose, Bristow & Sutor Managing Director commented, "Bristow & Sutor has experienced significant growth in the past 12-18 months and we expect to continue along a similar growth path with the addition of new clients, new services and general increased activity. It is however, just as important for us to ensure that we maintain the same levels of contact, communication and strong relationships with our existing clients – it is necessary therefore, that we also expand our management team in order to do this."

"We have developed a strong relationship with Debbie over the years through her previous roles at North Shropshire District Council, Shrewsbury & Atcham Borough Council, Isle of Wight and more recently at North Warwickshire Borough Council. Her local authority background, experience and input will be a positive addition and benefit to the company," said Andy.

Debbie will primarily support the company with continued development across increasing client base, customer liaison and to help identify new business opportunities.
