

South Northamptonshire Council Appoint Bristow & Sutor

April 2008: South Northamptonshire Council has appointed Bristow & Sutor to collect new Council Tax and Non Domestic Rates instructions.

This appointment now means that Bristow & Sutor provide bailiff services to 4 of the 7 Councils in Northamptonshire. The other Councils are Corby, Daventry and Kettering.

Andy Rose, Bristow & Sutor's Managing Director said, "We currently provide bailiff services to 4 other Local Authorities that share the Councils borders – as a result - we are continually in the area and are confident that the Council will see a marked difference. We look forward to supporting the Council and demonstrating improved performance."
