

Bristow & Sutor appointed at Ashfield District Council

March 2006: Ashfield District Council has engaged Bristow & Sutor to supply bailiff services for the collection of council tax on a trial period commencing March 2006. Bristow & Sutor will work alongside the Council's current enforcement agencies.

Andy Rose, Bristow & Sutor's Managing Director says, "Bristow & Sutor has made significant growth in the Nottinghamshire area; working for Ashfield brings the number of clients in the region to 4. Other clients include Mansfield, Newark & Sherwood and Nottingham City Council. The concentration of Bristow & Sutor resources and the daily multiple route visits to the region makes it only natural for us to provide Ashfield with an efficient service. We look forward to working with the Council and the opportunity to demonstrate how we can improve collection across the area."
