

High Peak Borough Council appoint Bristow & Sutor

March 2009: We are pleased to announce that High Peak Borough Council has approached Bristow & Sutor to enforce new and recycled Liability Orders for Council Tax on a trial period.

This brings the total number of Derbyshire clients to 5 (five), namely, Amber Valley, Bolsover, Derby City, High Peak, and North East Derbyshire.

The Council is keen to compare performance over a trial period and it is expected that the Council will appoint two suppliers at the end of the trial period.
