

Bristow & Sutor appointed at Oswestry Council

February 2008: Oswestry Borough Council has appointed Bristow & Sutor to collect both new and recycled Council Tax and Non Domestic Rates.

Oswestry was, until now, the only Shropshire Council that Bristow & Sutor did not provide a bailiff service for. The Council will be closely monitoring bailiff performance ahead of the Unitary status which will come in to effect in April 2009, which will mean that there will be one council for Shropshire, instead of the present six.
