

## **Bristow & Sutor appointed at Wokingham District Council**

**March 2006:** Wokingham District Council has appointed Bristow & Sutor as one of two enforcement agencies to support the council in the collection of council tax and business rates.

Sharon Pearce, Revenues Manager at Wokingham District Council said, “The drive towards high performance, value for money and customer focus is central to everything that we do at the Council and it is important that our partners share the same philosophy. For Wokingham, the ability to manage resources properly, yet contribute to modernising the way we work through was also a key factor - Bristow & Sutor’s client web was an influential factor in our decision – it will streamline the way we work internally, cut down paperwork and reduce the amount our staff have to spend on routine administrative tasks. At the same time, we will benefit from a totally transparent system and be able to access much more information at the desktop.”

Andy Rose, Bristow & Sutor’s Managing Director added, “We welcome the opportunity to support the Council and look forward to developing a long-term relationship to their benefit. This appointment fits perfectly with our growth strategy for the area and is a testament to our approach of genuine working partnerships”
