

## Just the Ticket – Parkex 2004

**September 2004:** Bristow & Sutor exhibited at the annual Parkex conference and exhibition held at G-Mex Centre from September 22<sup>nd</sup> -23<sup>rd</sup> 2004 in Manchester.

Parkex is probably the most significant date in the parking industry calendar with over 100 exhibitors showing a range of parking related products. This years' event raised considerable awareness and news coverage including a slot on the breakfast show on BBC 1. The conference focussed on the image of parking, management and enforcement, and what the industry can do to reduce the negative perceptions (often reinforced by the media).

With 1114 unique visitors excluding exhibitors, the event was deemed more successful as a result of the quality of conference delegates. In contrast to last year's event, which attracted many international guests, there was a noticeable increase in local visitors.

Bristow & Sutor will also be exhibiting at Parkex 2005 which will be held at the NEC, Birmingham.
