

Tewkesbury Parking Sweep the Board at Annual Awards

March 2009: Tewkesbury Borough Council has swept the board at the Annual British Parking Awards ceremony, held at the Dorchester Hotel, London on 6th March, by winning two major awards.

Now in their seventh year, the British Parking Awards are firmly established as the leading showcase for innovation, excellence and achievement in the UK parking sector. The competition places emphasis on the human aspects of parking, with 12 categories including customer service, enforcement team of the year, parking team of the year and innovation within the industry.

The Enforcement Team of the Year award is open to all local authority and private operators managing on-street parking operations.

John Horsey, Parking & Transport Manager at Tewkesbury Borough Council said, "We were delighted to be short listed for the **Enforcement Team of the Year** award, and to hear our names called as the winner in this category was incredible. To top it all, we were also presented with the **Overall Winners' Award** which is given to the individual category winner who, in the opinion of the judges, represents the single most outstanding example of excellence in the UK parking industry during the past year. This is fantastic recognition of all the hard work undertaken by the whole team at Tewkesbury and I am proud and privileged to be a part of that award winning team."

Andy Rose, Bristow & Sutor's Managing Director added, "We are proud to associated with the parking team at Tewkesbury Borough Council and congratulate them on the recognition they have achieved within the industry in the space of only 14-15 months. We hope to continue our partnership with this award winning team in the future and working with the council to consistently deliver good practice and results."
